# About Our Agency

## Description About Agency

Jamaty Cargo Agency is a trusted logistics, clearing, and forwarding company committed to providing comprehensive cargo solutions to businesses and individuals alike. With a focus on efficiency, transparency, and client satisfaction, we specialize in the smooth handling of goods across local and international borders.

Founded on the principles of reliability and professionalism, Jamaty Cargo Agency offers end-to-end services including freight forwarding (air, sea, and land), customs clearance, warehousing, transportation, and logistics consultancy. Our experienced team ensures that every consignment is handled with care, meets compliance standards, and reaches its destination on time.

Whether you're importing goods, exporting commodities, or managing complex supply chains, Jamaty Cargo Agency is your reliable partner in moving cargo safely, legally, and efficiently. We are driven by our commitment to simplify logistics and build long-term relationships through dependable service and innovative logistics solutions.

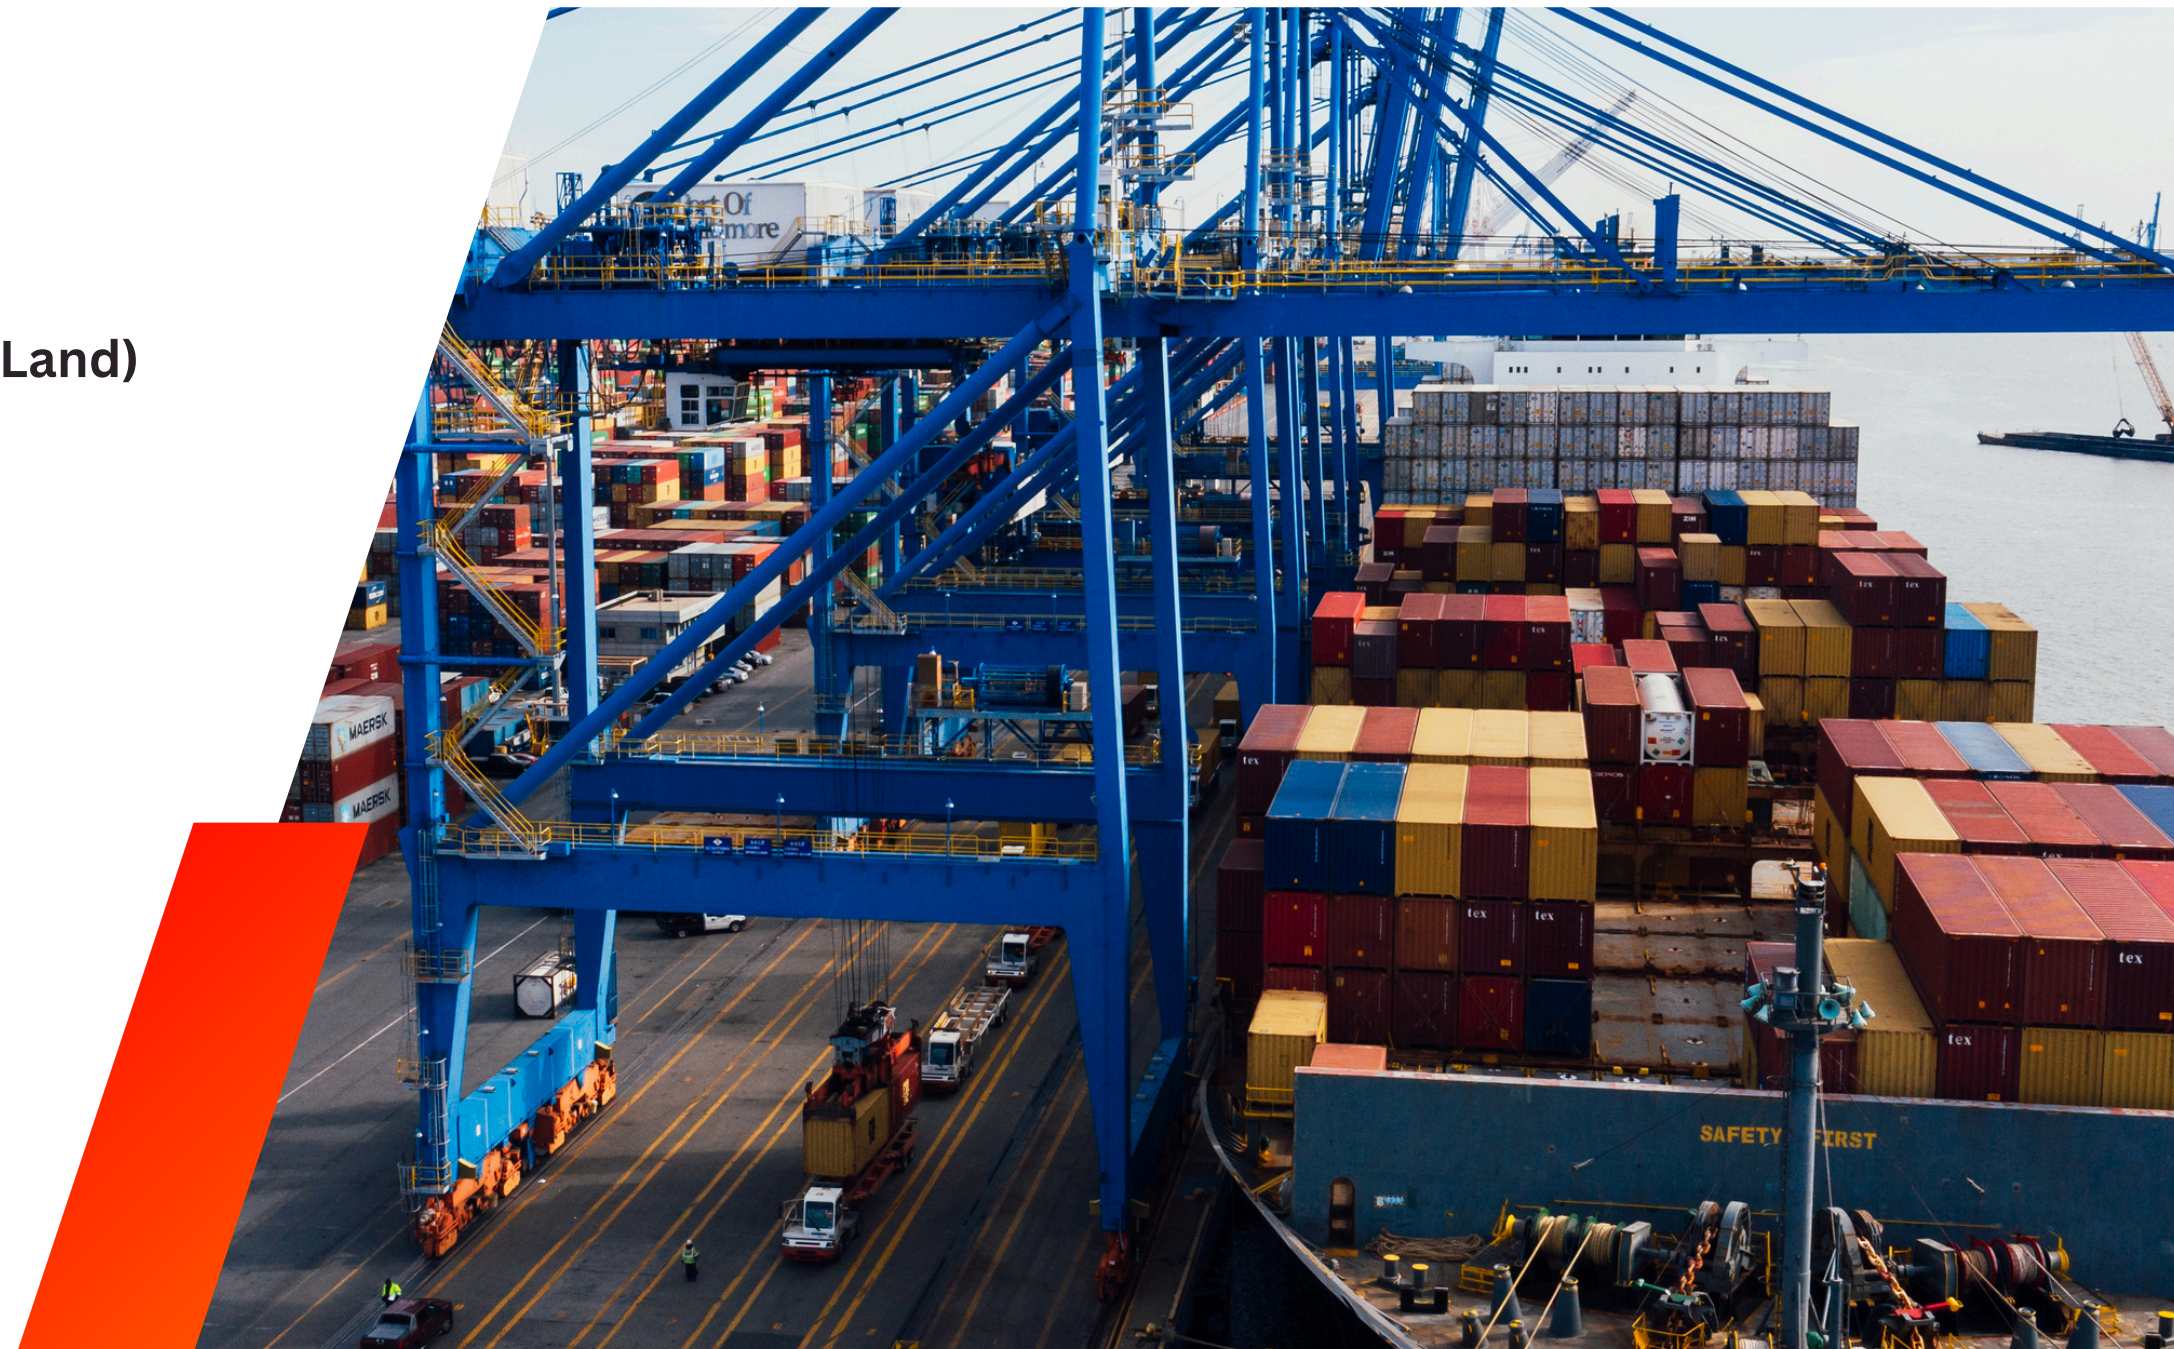

# Our Service

- Freight Forwarding (Transportation) (Air, Sea, and Land)
- Customs Clearing & Forwarding
- Import & Export
- Cargo Handling & Warehousing
- Local & International Transportation
- Logistics Consultation
- Door to Door Delivery

# Our Projects

## KUDEX LIMITED

Jamaty Cargo Agency successfully executed a livestock export from Lamu Kenya to Oman. A project for Kudex Limited, managing the safe loading, maritime transport, and customs clearance of over 9000 (goats,sheeps,cows) livestock. The operation ensured full compliance with veterinary and export regulations, maintaining animal welfare standards throughout the journey and delivering the shipment efficiently and on schedule.

## GREEN WASTE CO.LTD

Jamaty Cargo Agency managed the customs clearance, port handling, and inland delivery of solid waste management trucks for Green Waste Company. The project involved the efficient offloading and safe transport of Scania units to the client's facility, supporting their mission to enhance urban sanitation services.
